

A great display stand  
just got better...

## DISPLAYONE® **Messenger·X**

The simple,  
practical, versatile, affordable,  
single display unit solution.

NEW from Display One.

**Innovation** drives us here at Consort Display Group. One look at the new connection feature of our popular **Display One® Messenger®-X** interior graphics stand proves it. The new "Express Connect" snap-and-lock foot system assembles in minutes, without tools. It's sturdy, it's versatile, and it works with almost any single or double sided graphic, including fabric or vinyl banners, or rigid panels.
