

DISPLAYONE® Messenger•RTR™ Retractor Banner Stands

NEW! from Consort Display Group

For the ultimate in quick and portable graphic presentations, there's a retractor banner stand for any level of display. Each unit includes a carrying case for simple transport. Consort can quickly produce and install your digital graphics for complete, turnkey packages. Contact us today!

Deluxe Mini Retractor

Graphic size: 8.25" x 15.75"

The unit features a sturdy, tip-proof base and permanently attached shock-corded pole. The pole folds down into the base for easy storage. **2 lbs. \$22.00**

Clip-On Display Light

12V/50W Includes storage pouch

The vertical squeeze clip attaches to any display with a vertical support bar. The flexible neck allows you to control the lighting angle.

1 lb. \$42.00

The Premium™ 3386

Graphic size: 33.5" x 86"

This unit features a pop-out wheel with release button for complete control over the banner tension. Tension can be easily applied by turning the wheel without disassembling the entire unit. The Premium retractor is extra-sturdy due to the fold-out base design. The banner pulls and retracts smoothly and the telescoping pole allows for banners of varying heights. **19 lbs. \$198.00**

- Silver finish
- Rugged, protective carrying case

The AD-vantage™ 3480

Graphic size: 34.5" x 80"

This high quality unit is built for maximum durability and frequent use. Perfect for tradeshow exhibits. **12 lbs. \$130.00**

The AD-vantage™ 4686

Graphic size: 46.5" x 86.5"

14 lbs. \$165.00

- Silver & chrome finish
- Padded, nylon carrying case

The Presenter™ 3180

Graphic size: 31" x 80"

This lightweight retractor is perfect for the exhibitor who does the occasional show and in conditions where the banner does not change frequently. **6 lbs. \$75.00**

- Black finish
- Easy set-up, very lightweight
- 2 swivel feet for added support
- Nylon carrying case
